

CONCERNED ABOUT A PATIENT WHO

- Fixates on mass violence or extremist ideologies?
- Consumes violent or extremist content online?
- Feels isolated, rejected, or drawn to harmful groups?
- Has experienced bullying, trauma, or major stress?
- Expresses rigid, grievance-driven, or conspiratorial beliefs?

Never Worry Alone!

PARENTS FOR PEACE

Parents for Peace (P4P) operates the nation's first and only **free & confidential intervention resource** for addressing extreme beliefs and behaviors.
